

Please Don't Go In The Dryer!

by Judy Lea

Publishing Information

I have a little kitten,
He's the cutest
little thing

But he doesn't
really listen,

And he
gets into
everything!

And when I do the laundry,
I have to keep him out

'Cuz he jumps
right in the dryer,
and then I have to shout!

**“PLEASE DON’T
GO IN THE DRYER!”**

(I worry that you
won’t get out).

The door might
get closed, and
you'd be all alone

You'd have to stay in
until laundry day
comes again.
